

AI Insurance Claim Assessment Report

Claim ID: CLM-20260712024829

Date: 2026-07-12 02:49

AI Damage Assessment: Whole (90.6% confidence)

Tabular Risk Score: 10/100

Text Risk Score: 0/100

AI Recommendation: Auto-Approve (No Damage Detected)

Explanation: The vision model classified the vehicle as Whole with 90.6% confidence. Policy/claim data raised these factors: third-party policy needs extra verification. No suspicious language was detected in the claim description. Combined assessment: Auto-Approve (No Damage Detected).

Human Reviewer Decision: Approve
